

Elizabethtown Church of the Brethren  
Resources Commission **Minutes**

**Present: Kurt Sollenburger, Don Ziegler & Amy Zimmerman by phone and Kevin Engle later.**

**Youth Room**

**October 8, 2024 7:00**

1. 2025 budget      Some discussion, Kurt will work on numbers and send an email for comments/approval. Total will likely be around \$300,000.

2. Amy's update

- A. When weather is nice, Amy is working on cleaning window wells. The ones in the back are finished and she is working her way around to the front.
- B. Cove base on main level is finished, working on lower level.
- C. Shampooed the carpet on the main floor. There are a lot of coffee stains.
- D. Amy is also continuing to clean out the library and organizing the shelves.
- E. Floor in the kitchen has considerable black dirt even though mopped regularly. We are going to try mopping with just water. Soap film is sticky and can attract dirt.
- F. Amy & Lisa have been doing weekly walk throughs and seem to have a good relationship.
- G. Ground is sinking around sidewalks out front, Kurt will drop off empty buckets so Amy can pick up some stone at B&G. We will need to regrade in the spring after more settling.
- H. Erosion control has been removed and placed behind our shed.
- I. Communication with college students about parking in our lot on Sundays has been successful.
- J. No progress on HVAC we need to check with Jimm Hoffer & Barry Garman about how we get action.
- K. We no longer need to make a donation to the ambulance since they bill individuals. We will make a donation to the Etown Fire Co.
- L. We need to get Dave Clemens for taking care of Ryder Cemetery.

3. Pavillion      Deed of consolidation is completed. Sunday School hour meeting was successful with positive response but probably need another informational meeting.

NEXT MEETING—TBD due to board meeting

Respectively submitted,

Don Ziegler
