The Longest Night Service

Sat, Dec 21 @ 6 pm, Etown CoB sanctuary. The Winter Solstice is the longest night of the year. With the shortest amount of daylight, this day, close to Christmas, is a good reminder that there are those who struggle to find the light in this season of joy. For anyone who has suffered loss or grief, or for whom Christmastime is challenging or complicated. This simple service provides space for those who enter this season with sorrows or burdens, a time to light candles, to reflect on the light that shines in the darkness, and to find hope that endures through times of struggle.

org by **Mon, Nov 11th** if you have a loved one that you would like to remember on this day. In the email, please submit a photo along with date of birth and date of death. The photo and dates will be placed on a slide and shared during the time of remembrance.
